DETAILED ACTION

1. Claims 1,2,5-7,10,11,14 and 15 are allowed.

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 3,4,8,9,12,13,16 and 17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 3,4,9,13 and 17 are indefinite because there is no direct antecedent basis for the recitation of "said core of adsorbent material", as claim 1 recited "a pressed core of sorbent material". When "said" is being used, the identical language being referred to must have been previously used. In this case, there is no previous use of "adsorbent". Claims 8,12 and 16 are indefinite because there is no direct antecedent basis for the recitation of "said core of pressed adsorbent material", as claim 1 recited "a pressed core of sorbent material". Again, there is no previous use of "adsorbent".

4. Claims 3,4,8,9,12,13,16 and 17 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

5. The references listed on the PTO-892 show art of interest only, over which the claims define allowable subject matter.

6. Applicants' response to this Office action should also include the following editorial changes: page 1, line 12, "patents" should be "Patents"; page 1, line 22, "patent" should be "Patent"; page 1, line 24, "patent" should be "Patent"; page 2, lines 6,11 and 12, "an

sorbent" should be "a sorbent"; page 5, line 22, "core 10" should be "core 11"; page 6, line 26, "polyvinylprollidones" should be "polyvinylpropylidones"; page 9, lines 8,9 and 11, "patent" should be "Patent"; and, page 10, line 13, "an sorbent" should be "a sorbent".

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert H. Spitzer whose telephone number is (571) 272-1167. The examiner can normally be reached on Monday-Thursday from (5:30AM-4:00PM).
